#### **Strategic Plan Development**

The current KSD three year Strategic Plan ends in 2018. The Board plans to proceed with the development of a new strategic plan for 2019-2022. An outside facilitator was used to assist with the previous plan and Superintendent McKay will contact Janis Arnold at MSBA to see if and when she will be available to assist us. The development phase will include representatives from the KSD administration, parent councils, community and education stakeholders. It is hoped to begin this process in January 2019 with a completion date some weeks afterward.

#### **School Buses**

There is a continuing problem of vehicles passing stopped school buses around the schools. Help is being solicited from RCMP and COPP in getting license plate numbers of offenders.

If you have any questions about the highlights or other business of the Division, call one of the trustees or the Division office. The numbers are posted for your convenience.
