Kelsey School Division Box 4700 The Pas, MB R9A 1R4

Code: BDDD

QUORUM

- 1. A majority of the trustees of the School Division, when present at a meeting, constitutes a quorum; and the vote of the majority of such a quorum is valid and binds the School Division, subject to any by-law duly passed by the Board of Trustees and in force.
- 2. If there is no quorum when the meeting is supposed to begin, those trustees present may wish to proceed with the business of the meeting, operating as a committee, and when a quorum is present, the legally constituted meeting would then be asked to approve the decisions made by the committee. This committee would not be referred to as a Committee of the Whole because a quorum for a Committee of the Whole would be the same number as would be a quorum for the Board.
