Superintendent's Report

Julia McKay submitted a written report indicating that she has met with KSD administrative interns, and attended three KSD committee meetings. She also participated in a meeting with officials from UCN and other Manitoba universities.

KSD-Town Agreement

Meetings of a joint committee working to complete a revised draft agreement on shared services between the two organizations are continuing. It is hoped to complete this task in the near future so that the KSD board of trustees and Town of The Pas counsellors can review the work done to date and consider the signing of a comprehensive agreement.

KSD Standing Committees

Board standing committees have set dates for their first meetings of this school year. One committee, Community Liaison, has met and discussed various topics including speed zones, drainage issues at Wadelius Drive, and community liaison goals for the year.

Drainage Issue

The engineering firm hired to develop plans to correct the drainage issue is expected to be making its report before the end of September.

Retirement

MBCI Secretary, Joan LaJambe was honoured by staff and friends on September 20, 2019. This was her last working day at the school. She received many congratulations and kudos for her contribution to the school during her 42 years of employment there.
