---	-------------------------

SAFETY - WORKING ALONE

1. All staff must be aware that working alone is a recognized hazard in the workplace. All staff must make arrangements with their immediate supervisor for an appropriate check-in procedure when employees are working alone or working in a secluded area (e.g. crawl spaces, schools on weekends) at all times of the year.
2. Evening custodians are to be provided with radios for inter-personal and supervisor contact.
3. All employees planning on entering Kelsey School Division workplaces after regular hours or on weekends must make check-in arrangements with a spouse/significant other, or another employee before entering a workplace.
