## Kindergarten Registration for Children Born in 2016 (or earlier)

Kindergarten registration for **siblings** of students who attend École Opasquia School and Kelsey Community School will begin on January 25, 2021.

Due to Covid19 safety measures and minimizing risks to staff and students, we are asking for parents to register Kindergarten students either online (online registration forms will be found on the Kelsey Community School and École Opasquia School websites on January 25, 2021) or at the Kelsey School Division Board Office, rather than at the schools.

If registering at the Division Office, parents will need to leave their contact information and wear a mask at all times. They will be required to have the following documentation for the registration process:

- Government issued document confirming child's name; child's date of birth; parent name (example – birth certificate, passport, Manitoba health card, etc.)
- Document showing parent's physical address (example Manitoba Hydro bill, utility bill etc.)
