#### **Superintendent’s Report**

The KSD schools were not affected by the provincial health department’s mandated shut down of schools in Winnipeg and Brandon. The local public health officials have worked closely with KSD schools to ensure a safe learning environment. Some changes due to raised caution within the province will occur, similar to last Fall:

- Extracurricular activities organized sports and off-site activities are suspended.
- No singing or band wind instruments indoors.
- Busing precautions remain.
- Social distancing indoors continues.

School websites and Facebook pages will continue to advise parents as needed.

#### **Retirement**

Assistant Principal, Wendy Cull, at Scott Bateman Middle School has indicated to the Board her intention to retire after this school year. The Board authorized its Negotiations and Policy Committee to initiate the selection process for a replacement. Mrs. Cull has been a loyal and long serving advocate for students at middle school and senior high students during her long 27 year career with the School Division.
