

## Angie Quiring – Payroll/Benefits, Human Resources

Angie was born and raised in McCreary, MB and graduated from high school from McCreary Collegiate. She attended Red River College where she graduated with Business Administration. She worked in Winnipeg for eight years in both accounting and payroll positions moving to The Pas in 1990 and joined KSD as the Payroll Officer in fall of that year.

Angie's three children were born in The Pas and graduated from Margaret Barbour Collegiate.

Angie was on The Pas Preschool Board and The Pas Minor Hockey Board. Her minor hockey positions included tournament liaison, treasurer, team manager and various tournament positions. She was also an active with her children's' school activities and various other after school programs.

When Secretary Treasurer Jeannette Freese retired in October of 2020, Angie stepped in to help assume these additional responsibilities, shared with Connie Lucian, that were left in the Kelsey School Division Board Office. Angie also does the Human Resource side of the Secretary Treasurer position, which fits neatly with her payroll/benefits position. The accounting, payroll, benefits and human resources responsibilities provide her with unique challenges and great satisfaction.

Angie states that the team at Division Office is amazing and she couldn't ask for a better work environment.

"The Kelsey School Division staff can be proud of the work they do for our children and our community" she observes. Her favorite quote is "Knowledge is Power".
