### **Superintendent's Report**

All KSD employees and students are to be thanked for their resilience and commitment to get through the pandemic years.

### **Secretary-Treasurer's Report**

Training for the implementation of Power School software for school operations continued. The component on Library software was also updated. The Board approved the use of a school bus for the Canada Day parade. A further delay on the installation of a lift and roof replacement at Scott Bateman Middle School has been announced.

### **Education Liaison Committee**

A meeting with the Kelsey Community School administration completed the series done with all schools each year. Discussion centered on literacy, numeracy, Indigenous Peoples Day achievements, attendance and the challenges faced with student mental health and wellness issues.

### **Policy Committee**

The final report on the work done by the Policy Committee during 2021-22 noted that 65 policies were dealt with; 60% requiring some changes, 34% reaffirmed, and 6% archived or removed.

### **School Profiles**

An updated format for the annual year end reports from each school was shared with the Board.

### **MBCI Student Rep Report**

Josh Santolaja's report notes the several MBCI grad events planned, as well as a proposed basketball camp hosted by MBCI Spartans that may be held on August 22-26.

### **Retirements**

Several staff at schools and the Division Office have retired in the last few weeks. The Board congratulates them all and wishes them a happy retirement.

### **Superintendent to Leave**

Superintendent Selena Mell has announced she is leaving the Division for a senior position in another province. The Board is very sorry to see her go, and will start seeking a replacement immediately. To assist with a transition period, Mell and the Board have agreed on a three-month extension to her current contract up to October 3 if necessary.
