

## **Cheryl Sinclair , Chairperson**

Cheryl Sinclair (nee Northcott) was raised in the R.M. of Kelsey and is a long-time resident of the Town of The Pas. Over the years, Cheryl has been involved with KSD as a student, a parent, and an employee. Cheryl and her husband Dan's two daughters are KSD grads, and their grandchildren are also current students.

Cheryl has enjoyed a career in a supporting role for students' academic growth from Kindergarten through Post-Secondary. In 2018, after thirty-three years of working in a

multitude of positions (E.g., E.A., Office and Librarian), Cheryl retired from KSD. She now works with the University College of the North as a Regional Libraries Administrator/Library Technician.

Continued Learning is a vital aspect of Cheryl's life. She has pursued education throughout her career, including professional development opportunities provided by both KSD and UCN. She recently completed a certificate in Library Instruction. As an MBCI graduate, Cheryl's post-secondary education includes diplomas from Keewatin Community College and Red River Community College.

Cheryl has always been a community-minded citizen, having volunteered her time and served on various boards and capacities. She is excited to be a part of the Board of Trustees and to support quality education for all students within the Kelsey School Division.
