OUTSIDE USER POLICY:

APPLICATION FOR USE OF SCHOOL FACILITIES – PART 3

Introduction:

The purpose of this Outside User Policy/Application is to manage and reduce the risk of injury to persons using school facilities or grounds. The school Division ("DIVISION") acknowledges that school facilities are an integral part of the community. It is to the benefit of the individual / group wishing to use school property to take all reasonable steps to reduce the risk of such injury. DIVISION therefore requires that you (the outside user/applicant, herein called **APPLICANT**) demonstrate to the satisfaction of DIVISION that there will be sufficient controls in place to follow the conditions of the permit and to prevent foreseeable harm or property damage related to activities at the event. DIVISION has developed this Outside User Policy in order to:

- Establish rules for the use and operation of school facilities by outside individuals and user groups.
- Promote safe, responsible use of these facilities.
- Reduce the risk of injuries/property damage and subsequent liability risk.

Even small groups holding low-risk functions such as meetings, conferences, 75th birthdays, wedding showers, hall-walkers, square dancing and similar functions may be vulnerable to lawsuits for injuries that arise out of their activities. User groups and their organizers are not covered under the school board's liability insurance, and should therefore obtain liability insurance for their activities, or confirm with their insurance broker that they are covered under their homeowners insurance policy.

Individuals or groups running organized or higher risk activities such as using the gym for sports, using the shops for projects, using athletic field(s) for sports or sponsoring an event/function where tickets are sold, involving alcohol, or where attendance exceeds 150 persons, face greater risk and should therefore ensure they have liability insurance coverage to protect themselves from lawsuits for injuries (a minimum of \$2,000,000 coverage is recommended).

Various outside groups may have access to liability insurance from their parent organizations such as Sport Manitoba, Boy Scouts, Girl Guides etc. and should confirm for themselves whether such insurance exists for them. Local Recreation Commissions may have insurance that would cover the proposed activity. **An alternate source of liability insurance is available through the DIVISION.**

APPLICANTS will not be permitted use of facilities unless they accept the **Conditions** printed herein. **APPLICANT**/permit holder hereby agrees to indemnify and save **DIVISION** harmless from all claims arising from the event/function.
